TERMS OF USE

1. Introduction

This website contains media content collected through official field visits conducted under government schemes. The materials include photographs, audio, and video recordings of beneficiaries who have availed services provided under these schemes.

2. Acceptance of Terms

By accessing or using this website, you agree to abide by these Terms of Use and all applicable laws and regulations. If you do not agree with any part of these terms, please refrain from using the website.

3. Purpose of Content

The content uploaded is for:

- Government transparency
- Monitoring and evaluation
- Awareness and documentation purposes only

4. Ownership and Copyright

All photos, videos, and recordings are the property of the Government of Punjab and are protected under applicable copyright and data protection laws.

5. Restrictions on Use

You may NOT:

- Download, reproduce, or redistribute content for commercial or personal use.
- Use any media for defamation, misinformation, or unauthorized promotion.
- Alter, modify, or misuse the media in any manner.

6. Government Disclaimer

The government retains the right to remove or restrict access to any content without prior notice and without assigning any reason.

PRIVACY POLICY

1. Data Collection

Media content displayed on this website is collected lawfully during official field visits, with the primary intent of documenting the implementation and impact of government schemes.

2. Consent

Where possible, verbal or written consent has been taken from beneficiaries whose images, names, or voices appear. If you see content that you believe should not be displayed, please contact us via the official support channel.

3. Data Protection and Confidentiality

- Beneficiary data is not shared with any third-party individual, group, or organization without legal authorization.
- The media is stored in secure servers with access granted only to authorized personnel.

4. Security Measures

We use industry-standard security practices to prevent unauthorized access, alteration, or disclosure of data.

5. Misuse and Legal Action

Any attempt to misuse the content (copying, distributing, editing, or misrepresenting the media) will be considered a legal offense and may result in strict legal action under the laws governing cybercrime, defamation, and misuse of government data.
